CAUSE

**U.S. Probation Officer Recommendation:**

Due to the nature of the offender's offense conduct and the fact that he will have to register in the State of Illinois as a Sex Offender, the probation office would respectfully request a hearing to modify the conditions of his supervised release. The above-mentioned conditions would greatly assist the probation office in effectively monitoring this offender during the term of his supervision.

Assistant U.S. Attorney Stephen B. Clark was made aware of this proposed modification and does not object to the Court being petitioned to modify the offender's conditions.

I declare under penalty of perjury that the forgoing is true and correct.
